1. The first part of the report is a general
description of the project and its objectives.
2. The second part is a detailed description of
the methods used in the study.
3. The third part is a description of the results
of the study.
4. The fourth part is a discussion of the results
and their implications.
5. The fifth part is a conclusion and a list of
references.

6. The sixth part is a list of the authors
and their affiliations.
7. The seventh part is a list of the titles
of the papers presented at the conference.
8. The eighth part is a list of the titles
of the papers presented at the workshop.
